## **Scan Global Logistics acquires the logistics service provider Crosseurope AB**

**Scan Global Logistics** is pleased to announce it has entered into an agreement to acquire 100% of the Swedish based freight forwarder Crosseurope AB

Crosseurope AB is a freight forwarder in Trelleborg, Sweden focusing on small to mid-sized customers. Crosseurope AB has, since 1993 established a solid position in road freight in Sweden. In 2016, Crosseurope AB generated sales of SEK 98 million.

Scan Global Logistics is a global freight forwarder with a strong presence in the Nordics, Asia and US, the acquisition represents a strategic step in the Group's ambition to increase its presence in the Nordic markets in general and Sweden in particular.
