Webinar: Air and Ocean freight Outlook with two leading experts

06 May, 2021 | [Share](#)

In an ever-changing logistics industry where global supply chains are currently heavily impacted by a historic volatile market environment, we will provide you with a fresh update on the latest developments within air and ocean freight (06-05-2021)

Therefore we invite you to join our webinar on May 19. Two industry-leading experts for air and ocean freight will give their perspective on the current market situation and provide you with a future outlook:

Lars Jensen, leading expert in the container shipping industry and CEO of Vespucci Maritime.

Marco Bloemen, leading airfreight expert and Managing Director in Seabury Cargo.

At the end of the webinar, you will have the opportunity to ask Lars and Marco questions during a Q&A session. Ask your questions live or send them to us beforehand at event@scangl.com

When: May 19, 2021

Time: 15:30 CET

Duration: 60 minutes
