We open a new office in Dijon, France

11 Oct, 2021 | [Share](#)

Today, 11th of October, our rapid growth once again shows by adding yet another office in France, only six months after the opening of our first fully-owned French operation in Lille. This is also a step towards a strong European presence.

The opening of our new branch in Dijon is part of our strategy to strengthen our presence in France. With this new office we emphasize our commitment to deliver on the potential in the French market by providing our customers with proximity, efficiency, and local expertise.

This is just the beginning, and our aim is much higher.

While our office in Dijon is brand new, we are proud to welcome a strong team of experienced and dedicated colleagues. Because we believe that no system or formula can compensate for the energy of good people.

We are looking forward to delivering efficient logistics solutions to new and existing customers.
