FOCUS ON YOUR CORE BUSINESS AS WE DO. IT'S IN OUR DNA TO FIND THE RIGHT LOGISTICS SOLUTIONS TO YOUR NEED.

Fashion and textiles are about as time-sensitive products as they get. You are on-time, or you are not. We understand. You need your supply chain to stay intact and we make sure it does.

But don't just take our word for it. After delivering a 10-ton shipment from China to Spain in 9 days instead of 12, for the benefit of a world leading fashion apparel company, who praised us for our "flexibility, smartness and responsiveness".

Producing in emerging countries and planning logistics require special insights, local presence and knowledge. We got that covered, so you don't have to. You can focus on your core business and let us take care of your logistics. If you can plan just a little ahead, we are even able to sweeten the deal. Our solutions are highly cost-effective and individually timed to your requirements. You need it, we got it.

Call us and learn more.

WHY CHOOSE US:

- Highly cost-effective end-to-end logistics solutions
- Know-how when manoeuvring in emerging countries
- On-site regional experts
- Ideally for high volumes and frequent consignments
